Dulce de Leche, which means “sweet dessert of milk” in Spanish, is a traditional confection made of cream and sugar. Stash Crème Caramel is a delicious blend of naturally decaffeinated black teas and flavors of chocolate and dulce de leche. Add a splash of milk and sugar for rich and creamy dessert drink.

Double Bergamot Earl Grey Black Tea (Stash)

A blend of premium black teas and 100% pure bergamot oil – twice as much as in our Earl Grey tea. Bergamot, an extract from the small Citrus bergamia tree, is grown in the southern part of Calabria, Italy. Many other Earl Grey teas use a mix of bergamot and other citrus oils, but we insist on 100% pure bergamot oil even though it's more expensive. Smooth and aromatic, the bergamot imparts a light citrus note.

Double Spice Chai Black Tea (Stash)

For Chai lovers, this spicy blend of premium black teas and fragrant spices has double the amount of clove, cinnamon and cardamom as in our popular Chai Spice tea. We also added coriander and whole cardamom for a spicier and even more flavorful drink. Add a splash of milk and sugar for a rich, authentic taste experience.

Earl Grey Tea (Stash)

This classic beverage was popularized by Earl Grey in the early 19th century. For the our version, we blend premium quality Ceylon, Assam and Yunnan black teas with 100% pure bergamot oil from Calabria, Italy for a lively, distinctive flavor and lavender-like bouquet. Smooth and aromatic with a hint of light citrus, excellent as an afternoon or after dinner tea.

English Breakfast (Stash)

This hearty blend sets the standard for an all-occasion black tea. It brews up dark in the cup, with a rich flavor. An excellent tea to start the day, or as a pick-up in the afternoon. Enjoy it plain or add a touch of milk and sugar for a silky texture and a rich, invigorating drink.

English Breakfast (Twinings) – Decaffeinated *

Twinings English Breakfast Tea was originally blended to complement the traditional, hearty English Breakfast, from which its name derives. The refreshing and invigorating flavor makes English Breakfast one of the most popular black teas to drink at any time or occasion - not just for breakfast. English Breakfast can be enjoyed with or without milk, sweetened or unsweetened - the choice is yours.
